E-mail:		Telephone:	
Name of the chairperson:		Name of the Director:	
Date of creation:		Legal form:	
Person in charge of this application:		Number of staff members:	
Number of volunteers:		Number of members (if applicable):	

EUROPEAN FOUNDATIONS'
INITIATIVE ON DEMENTIA

2. Project

2.1 Initiative to support people living with dementia during the Covid-19 pandemic

What is the main objective? Describe the desired change you wish to bring about and the specific Covid-19-related challenges you wish to address through your initiative. Focus on the specific challenges faced by your community and the response you have given.

(Desired length: 250 words)

What are the main activities you developed to tackle the challenges you had identified? Describe the activities carried out.

(Desired length: 150 words)

How do you ensure that the dignity of people with dementia and their right to self-determination is respected in your operating context? Describe (if applicable) how your community perceives the rights to self-determination, dignity and autonomy of people living with dementia and your efforts to promote those.

(Desired length: 200 words)

EUROPEAN FOUNDATIONS'
INITIATIVE ON DEMENTIA

2.2 Initiative to spread the EFID legacy beyond 2020

How do you plan to spread the EFID legacy beyond 2020? Describe your strategy to reaching out to the local community and how you contribute to create inclusive communities (see definition according to EFID in the call for awards).

You may fill in the Worksheet E from the EFID Toolkit (page 32)¹ if you wish. If you do so please add it to the list of Annexes

(Desired length: 300 words excluding worksheet E)

How are you capitalizing on the learnings? Describe what you expect/hope to learn and how you plan to collect and communicate your learnings.

(Desired length: 200 words)

2.3 List of Annexes

If you wish you can send materials related to your initiative and to your communication plan to spread EFID legacy.

List the materials that you will send below:

- 1.
- 2.
- 3.
- 4.
5. *(continue if needed)*
